

PLAYGROUND COMMITTEE PLANNING AND FUNDRAISING

Assist the PAC in applying for grants, approaching businesses for donations, and keeping track of the funds we raise. This is a big job and we would like to put together a group of individuals who will not be responsible for additional PAC duties. This ensures that someone is focusing solely on the playground fundraising efforts at all times. Though the PAC will be heavily involved in school fundraisers and playground committee oversight, we will need additional help with the community fundraising efforts and grants.

****Grant writing experience is not required, but would be a huge asset for anyone applying for this committee***

We will continue to add information about these roles as it comes available, so please stay tuned.

**Approach local
businesses for
donations**

**Request
donations from
local contractors
and developers**

**Apply for
community grants**

**Help create a
long-term
fundraising plan
to determine how
much money we
can allocate to
other programs**

...and more!
